STAT

Please obtain DDCI approval to brief a group of about 40 Coast Guard Academy midshipmen on 25 March from 2:30 to 4 p.m.. The group of students and two faculty members will be on a brief trip to Washington. They will also receive briefings from State, DoD and the NSC. Their principal interest is in arms control but they would accept anything we want to give them. I propose contacting  of SOVA, an excellent briefer, who covered this subject brilliantly for a group of West Point cadets last year.

STAT _

Dear

As we discussed on the telephone last Monday, the Coast Guard Academy Political Affairs Association is planning a foreign affairs field trip to Washington, DC on 24-26 March 1983. There will be three (3) faculty advisors and forty (40) cadets participating, a list of the participants is enclosed.

We have scheduled briefings at the State Department, Pentagon, NSC and Capitol Hill. The ideal time for a briefing at the Agency would be between 1430 and 1630 on Friday, 25 March. If this time is convenient for you, we will arrive by bus shortly before 1430.

The focus of the trip will be arms control, but two additional topics which might be covered in your briefings are US/USSR relations in general and current development in the Caribbean basin. All participants from the Coast Guard Academy have confirmed SECRET access. Please inform us to the specific means by which you need to have these security clearances confirmed.

Thank you very much for your assistance in setting up these briefings. If you have any questions, please call me or LT F. M. ROSA, JR., at (203) 444-8357.

Sincerely,

PHILLIP J. HEYL
Lientenant, U.S. Coast Guard
Advisor, Cadet Political Affairs
Association.
